

Known Gods

Season 1

Episodes: 26 Duration: 48'

Scandalous Epic Drama

Synopsis:

Tucked away in a lush, beautiful and mountainous South African wine valley are four wine-making families surrounded by history, mystery, love and murder. A sexually voracious womaniser and man of reckless extravagance and egocentricity, is murdered. This brutal murder shatters the silence of a once serene farming community. His death triggers a series of events that rip open the past, forcing the secretive residents to acknowledge and accept their own flawed history.

Episode: 1/26 Duration: 24' Rating: PG13

Episode Synopsis:

This Episode is dominated by the murder of Deetlef Koen, famed winemaker and womanizer, but through this event and the consequent murder investigation we get to know our characters, their lives, loves, secrets and interconnectivity in the Halfmanskloof Valley. All is not what it seems on the surface of their opulent lifestyles.
